- 1. Is there an incumbent for this RFP or with similar scope of work? If, yes, please list the current contractor and describe the task current contractor is assigned.**

Yes. Contractor: Taylor English Decisions, LLC

*Task: The Contractor shall provide assistance to LED in connection with providing professional counsel and advice, and representation on economic development strategies with the United States Department of Agriculture, and legislative and administrative agency issues (including, but not limited to, the development and implementation of strategies and programs relating to LED government affairs and policy), that relate to LED and any of its businesses, affiliates, subsidiaries and/or associated companies; all as provided in the above and foregoing paragraphs. The Scope of Work is more fully described in **EXHIBIT A**, which is attached hereto and made a part hereof.*

“EXHIBIT A”

Consultant is retained to provide General Consulting Services. “General Consulting Services” rendered in connection with this Agreement could include, but would not be limited to, the following in furtherance of LED’s objectives with the United States Department of Agriculture.

- Provide advice and counsel on economic development strategies with the United States Department of Agriculture (“LED’s Economic Development Strategies”).*
- Representing LED on legislative and administrative issues and matters in the United States Congress, executive branch and United States Departments and Agencies impacting LED’s Economic Development Strategies;*

- *Scheduling meetings with government officials in the United States Congress, executive branch and United States Departments and Agencies concerning LED's Economic Development Strategies;*
- *Filing and/or assisting with filing lobbying registration, expenditure and/or campaign finance reports as required by relevant State and United States laws and regulations;*
- *Monitoring and advising LED regarding legislative developments with potential impact to LED's Economic Development Strategies within the United States Congress;*
- *Monitoring and advising LED regarding regulatory developments with potential impact to LED's Economic Development Strategies within the United States Departments and Agencies;*
- *Provide advice and counsel on other appropriate strategies;*
- *Participating in LED internal meetings/events as needed for updates; and*
- *Providing consultant resources when necessary and reasonable.*

This is not an exhaustive or exclusive list of the General Consulting Services that Consultant may render on LED's behalf in connection with providing General Consultant Services. This list is meant to describe the types of activities that could constitute General Consulting Services that Consultant may perform on behalf of LED in connection with this Agreement.
